

The Archives collection continues to grow and I want to say, “Thank You” to all of the districts that keep send minutes. If your district is one that is not sending minutes please start sending them now. It is important for your district’s history. If documentation is not kept, those to come will not know what their district has accomplished in the past.

Don’t be afraid to use full names. Unedited binders are marked CONFIDENTIAL and kept in the back. No one see’s them without permission from 3 members of the Archives Committee. The other binders are edited and displayed for people to read.

**Please have everything dated with the year included  
and use word so that they can easily be edited**

**DISTRICT: WHAT TO SEND**

- An article about AA in your local newspaper
- Anything that you want included.....
