Financial Support of Area Officers and Chairs

Appointed Committee Members/Past Delegate Mileage Proposal
2019/09/08

That an annual budget be created for reimbursement of mileage to Area 75 Assemblies, Delegate Workshop, and the Fall Conference for Appointed Committee Members and Past Delegates. This would include any unreimbursed members of the Agenda, Finance & Conference Advisory Committees and any unreimbursed Past Delegates currently residing in the Area 75 boundaries. A Committee member or Past Delegate who serves in multiple roles for Area 75 can be reimbursed only one time for each Assembly / Conference / Committee meeting. Reimbursement would not be mandatory and would only be paid to a qualified member if a request is submitted to the Area 75 Treasurer on an Expense Reimbursement Form.

Section 1. amended 2020/6/28

1. Area Officers and Committee Chairs will be reimbursed for any qualified expense incurred as a result of performing duties relevant to their service positions as described in the *A.A. Service Manual*, the *Twelve Concepts of World Service*, *Area 75 Assembly Actions*, the *Area 75 Handbook*, *Committee Workbooks*, *A.A. Guidelines* and other related A.A. service literature. See the following section “Covered Expenses for Area Officers and Chairs” for more detail. Reimbursement for expenses to attend events and activities not specifically listed in the Covered Expenses section applies only when the trusted servant is invited to attend and participate in such events consistent with the duties of the service position, and only when the hosting entity is not covering those costs.

- a. Area Officers and Committee Chairs will be reimbursed for mileage at a rate set forth in the Assembly Actions.

2. Budgets

- a. Area 75 Officers and Standing Committees will submit a yearly budget at the beginning of each year. The budgets are submitted to the Area 75 Treasurer. The budget should be within 10% of the previous year’s budget. If it is not, then the budget should come before the Area 75 Assembly for approval. Until budgets are submitted and approved, the current year’s budget will remain the same as previous year’s budget.
- b. Area Officers and Committee Chairs are to manage their expenses in a manner that is consistent with their approved budget.
- c. If, at any time during a given year, a need for additional money arises, the Committee Chair or Officer must present the need to the Finance Committee and then, with the Finance Committee recommendation, to the Assembly.

3. Oversight

- a. The Finance Committee has responsibility for overseeing all financial concerns of the Area Committee including the reimbursement of funds to Area Officers and Chairs.
- b. The Finance Committee can, by simple majority vote, deny reimbursement of any expense it deems inappropriate but the impacted officer or chair has the right to appeal the Finance Committee’s decision by bringing the matter before the Assembly.
